

43rd Annual HAPL Skeet Shoot

Donation Request

To Whom It May Concern:

The 43rd Annual Houston Association of Professional Landmen Skeet Shoot will be held Saturday, August 5th, 2017. I invite you to help ensure the continued success of the HAPL Skeet Shoot by making a donation for the event. Every sponsor is extremely important and your sponsorship would be greatly appreciated. Each Sponsor will have their name prominently displayed on a Sponsor Board. There will also be a raffle at the end of the event in which your generous contribution will be awarded.

The Houston Association of Professional Landmen (HAPL) is a non-profit, professional organization (Tax Id: 23-7158154) founded in 1946 with approximately 1400 active members representing the oil and gas industry of the Houston area. The H.A.P.L. mission is to further the education, knowledge and interest of the Professional Landman in the community regarding current issues confronting the oil and gas industry in its expanded exploration and production of energy derived from natural resources in America.

Thank you in advance for considering this request to support the 43rd Annual Houston Association of Professional Landmen Skeet Shoot. Should you have any questions, please do not hesitate to call or email me.

Respectfully,
