**LIMITED NUMBER:** Registration shall be limited to the first 200 shooters' entry forms that are received & paid.

**REGISTRATION:**

This form & fees are to be received no later than **October 3, 2024**. **Registration can be paid for online, here: <https://www.hapl.org/events/2024/10/hapl-event>. or via check.** Teams will consist of 4 shooters. If shooting solo, you will be paired up with other shooters. This year will only have one flight of shooters, shooting multiple course.

**REFUNDS:** Because purchases & fees must be paid in advance, we will be unable to give refunds to registrants who are not able to attend.

**CLASS SHOOT:** In order for every shooter to have a chance to win an award, the Modified Lewis Class System will be used for scoring. After all participants have shot, shooters will be placed into one of the following classes: AA, A, B, C & D. Awards will be presented to the High Overall Champion & Runner-up & also to the winner & runners-up in each class. Longest run system will be used to determine any ties. For any person that registers & shoots more than once, first round score will be used for Award placement.

**GUNS & SHELLS:** You may use your choice of a 12 or 20 gauge shotgun. All shooters must use the shells furnished at the shoot. All empty hulls are the property of the ASC & are not to be picked up during or after the shoot. Shooters are required to wear eye & ear protection. The ASC & the HAPL assume no liability for any injuries or loss to persons or property that may be incurred at this event.
