The Houston Association of Professional Landmen (HAPL) Shale Play Seminar and the Shale Play Social will be held Thursday, October 15th, 2015 in Highland Village at Smith and Wollensky, 4007 Westheimer Rd., Houston, Texas, 77027. The social is an informal networking event in Houston dedicated to those individuals and companies that work in or have an interest in shale plays. The HAPL Shale Play Social proved to be a very successful networking event for shale players last year - there were hundreds in attendance! This event is only made possible by our generous sponsors. Our goal is to make this year's HAPL Shale Play Social an even greater networking success. The Social will be held on the entire second floor of Smith and Wollensky.

We are currently looking for sponsors. The Shale Play Seminar and the Shale Play Social committees work together and pool our fundraising. If your organization is interested in being a sponsor for these events, please contact **Jonathan Click** (see next page). Your company will be **recognized prominently with signage at the seminar and the social in addition to applicable sponsor level benefits described below:**
