**RE: HAPL – Bridging the Gap Social
Thursday, July 27, 2017
Rebel’s Honky Tonk**

Ladies and Gentlemen,

The Houston Association of Professional Landmen, along with the Next Generation Landman Committee, are proud to announce the 2017 “Bridging the Gap” Summer Social to be held at Rebels Honky Tonk, located at 5002 Washington Avenue, Houston, Texas 77007 on **Thursday, July 27, 2017**, between 5:00PM and 8:00PM.

The “Bridging the Gap” idea highlights the inclusive nature of the event, inviting Landmen of all ages, experience, and background to come together for networking and good times. Summer interns and potential new HAPL members are invited as well. We expect this year’s social to be the largest of its kind and sponsoring this event will give your company a bright opportunity to demonstrate your firm’s commitment and gain visibility to a wide audience.

This event’s success relies on the contributions of generous sponsors. This is an opportunity to emblazon your company name for great publicity and to sponsor one of the largest Landman events in Houston. We will have four tiers of sponsorship for this event outlined in the attached sponsor form. All contributions will be appreciated and the sponsors will be acknowledged both at the event and in an upcoming HAPL newsletter. **Checks should be made payable to HAPL and mailed to ATTN: Hunter Arbuckle, EP Energy E&P Company, L.P., 1001 Louisiana Street, Suite 2795D, Houston, TX 77002.**

Thank you for your timely consideration of this request.

Sincerely,

Hunter Arbuckle
Chairmen, Next Generation Landman Committee
